Your child is about to embark on a fantastic new milestone – their first keyboard/piano lessons! These are no ordinary piano lessons! Our multi-sensory approach has been shown to have enormous spin off effects on a child's ability to focus and concentrate at school, as well as developing self confidence and self esteem. The approach engages the whole body in the learning experience, which makes learning easier and more memorable. And most importantly – It's going to be FUN!

Forte's multi-sensory approach has been shown to have enormous spin off effects in other areas of your child's development
